

MEMORANDUM

To: NUK faculty, staffs and students

Date: 2020.04.10

From: The NUK COVID-19 Response Task Force

Subject: A new suspected case at NUK confirmed **NEGATIVE**

We have new suspected case of COVID-19 at NUK. The case had coughing, chest pain and dyspnea. The case went to a doctor in the Zuoying Branch of Kaohsiung Armed Forces General Hospital on April 7, 2020 and took a COVID-19 test. The case was confirmed negative on April 9, 2020.

It is our responsibility to protect everyone's health in our campus. Please follow CDC social distancing recommendations and avoid going to crowded places. Our faculty member, students and staffs are urged to wear face masks if you are unable to keep social distancing, especially in the classroom. If you feel unwell, you are urged to wear face masks and go to the hospital immediately.
